

3RD ANNUAL BABES ON BIKES BIG BANG BIKE BASH SEPTEMBER 5TH - 7TH 2008

This year's all women's weekend will be our best yet! Our event will be hosted at the Broadleaf Guest Ranch in Hopewell. Their beautiful facility in close proximity to Fundy National Park and Hillsborough makes it the perfect location for a fun filled cycling weekend.

Are you a roadie, a mountain biker or both? There are lots of options to chose from. Saturday will be the traditional Hillsborough dirt ride with a short road ride option. Sunday is the big road day with two options available. The longer ride has the Queen of the Mountain stage with the shorter one being suited for the casual/new rider. Both rides will have a support vehicle. Still want to do more dirt? Green Snake and Blackhole are great mountain bike trails. There is something for everyone!

Registration: \$150.00

(includes 2 nights accommodations, breakfast, lunch and dinner Saturday with lunch and wrap up pasta dinner on Sunday).
